Atlantic Coast Line Passenger Train Struck Near Jacksonville by Freight

Jacksonville, Fla., June 23.—The delay of the passenger train No. 38, of the Atlantic Coast Line, on its way to Jacksonville from St. Petersburg, at the Santa Fe trestle, about sixty miles south of Jacksonville, at an early hour Thursday morning because of a fire on the trestle, resulted in a rear-end collision when a northbound log-train, unaware of the hold up of the passenger train ahead of it, crashed into it. Eight passengers and two of the crew were more or less seriously injured.

## RICHMOND—WM. S. HART

The story is one of intense interest and the action is repaid from start to finish. The scenes are located in Arizona and all who know Mr. Hart know that there is not a dreary moment in it. Ann Little is the leading woman.

## GRAND THEATER

Jack Pickford, the talented brother of "Our Mary," is to appear at the Grand Theatre in "The Spirit of '17" tonight. This is an original story written by Judge Willis Brown of the Chicago Juvenile Court and arranged for the screen by Julia Crawford Ivers. Dealing with one of the most important problems of the present economical crisis, "The Spirit of '17" shows the clever young star in an altogether new light and offers him as yet unguessed of opportunity to display his talent. Also "The Man of Might."

created by the last twenty-four hours news from Weimar, a note of gloom is injected by the apparent widening of the split in the allied ranks, all the disgruntled little nations banding together in a formidable unit against the "Big Five," especially against Italy.

Premier Bratianu, of Roumania, is understood to be the leader in this movement to have Greece, Poland, Roumania, Serbia and others break away from the Peace Congress and arraign themselves against the five big powers as well as the league of nations until, as they term it, they are given a "square deal."

This sensational step was actually planned for three weeks ago and would have come to pass but for the influence of Venizelos, the Greek premier, who counselled "watchful waiting" for a short time.

However, the rift is widening and the situation is approaching a crisis, for these main reasons:

1.—The Italian attitude on the Dalmatian question as against the Jugoslavs and Serbs, and accumulating charges that Italy is giving aid and comfort to the Austro-German armies now fighting the Jugoslavs.

2.—Open hostilities by Italy against

Greece in occupying certain Balkan regions.

3.—The "Big Four's" settlement of the Upper Silesian question contrary to Poland's demands.

4.—Roumania's bitter hostility to the "Big Four's" agreement, as the Roumanians see it, "to go over the heads of individual small nations and take care of small religious and political bodies within those nations."

Already there are rumblings here of immediate war against Italy by this proposed new entente of small nationalities.

## IRISH CHARGES TRUE.

## SAYS SINN FEIN CHIEF

Dublin, June 23.—Arthur Griffith, acting president of the Sinn Fein, declared in an interview today that all seventeen of the specific charges in the Walsh-Dunne report are "true and accurate," and that Chief Secretary Macpherson's reply is "false in every particular."

Griffith said that publication of depositions exposing these "falsehoods" has been forbidden in Ireland. He claimed that Francis Gallagher, engaged in taking depositions to bear out the charges of atrocities made by Frank Walsh and Edward Dunne, was arrested and imprisoned.

## WHITE MEN KILL NEGRO

Four are Arrested for Alleged Crime in Alabama

Centerville, Ala., June 23.—Charged with being members of a party of white men who, after seizing a negro, forced him to stand on a stump, where he was shot to death, four white men were lodged in the county jail at midnight Thursday, and a special jury of the Bibb County Court has been summoned for June 23 to investigate the affair.

The alleged murder occurred near Green Pond, Ala., and it is declared that other negroes in that section were maltreated by the same parties. Trouble between the two races occurred at Woodstock, near the scene of the above shooting early in the week.
